Gold Infusion Pre-Treatment

Please review and follow our pre-treatment care plan. Failure to do so could result in cancellation of your treatment and forfeiture of your deposit. This service can not be performed on anyone who is pregnant or nursing.

Pre Treatment: 2 Weeks

- No laser treatments, chemical peels, waxing, and/or use of chemical depilatories.
- If you have a history of cold sores, please be sure to pre-treat with an anti-viral.

1 Week Before:

- Discontinue Retin-A, Renova, and Tazorac.
- Avoid sun exposure and/or usage of a tanning bed, including self-tanning products.

24 Hours Before:

- Shaving is allowed immediately before treatment as long as there is no skin irritation.
- The area to be treated must be clean and free of any lotion, makeup, and sunscreen.
- Schedule your appointment at least 24 hours prior to a special event. Redness and sensitivity may be apparent in that time period.
